THE MILLENNIUM BRICK PROJECT

Adorning the walkway through the Rose Garden Rotunda between the two historic sites in Treganza Heritage Park are many commemorative bricks, honoring family, friends, businesses, favorite aphorisms, special projects and more. Millennium Bricks raise funds in support of the Parsonage Museum and the H. Lee House Cultural Center. Moreover, the project contributes to the beauty and distinction of the park, fosters a sense of community and pride of place, and even constitutes a history lesson about pioneer and modern life.

Brick orders can be placed any time by filling in the order form below and mailing it with your check or money order. There are two sizes: regular 8-inch brick and a larger 12x12- inch brick. Once the order is placed, please allow four weeks for creation of the brick(s). We'll call you to discuss park placement.
